## **ACADEMIC YEAR 2021** **Call for applications for assistant conductors**

### **THE ACCADEMIA DEL BELCANTO “Rodolfo Celletti”**

The Accademia del Belcanto “Rodolfo Celletti” of Martina Franca, promoted and organised by the Fondazione Paolo Grassi in collaboration with the Festival della Valle d’Itria, was founded in 2010 with the aim of providing young opera singers with **highly specialised training in specific aspects of the technique, style, and performance of Italian Belcanto** (from Monteverdi to proto-Romanticism), as well as analysis and study praxis in the different fields of Western music theatre, including the various expressions of contemporary music.

Already supported by MIBAC through the FUS, the “Celletti” Academy is one of the nine Italian reality to have obtained from General Direction Libraries and Cultural Institute by the Ministry for cultural assets and activities, the acknowledgment of **“School of National excellence operating in the ambit of the very high musical education”** (D.M. n. 433 of 15/10/2018, in progress of art.1 of Law 2015 of 2017)

The course is articulated in several laboratories for performance practice, applied to Belcanto’s specific techniques and aesthetics: from seventeenth-century “*recitar cantando*” to expressions of the Apulian/Neapolitan school; from the technique of *coloratura* to the art of variation in the Italian belcanto tradition of the 1800s. Specific practical experiences organised during the Festival della Valle d’Itria will enrich the students’ training, and made all the more precious as they will be taught by top-class coaches, performers, and directors.

The training plan also boasts a specific section specialising on **Baroque Belcanto**, with prestigious master-classes and one-to-one lessons for those young performers who are particularly interested in and inclined towards this kind of repertoire. The specialised and personalised study is all the richer for the work experiences lined up during the programme of the Festival della Valle d’Itria.

**Alberto Triola** and **Fabio Luisi**, respectively Artistic and Music Directors of the Accademia del Belcanto and of the Festival della Valle d’Itria, will coordinate the teaching and artistic plan.

### **STRUCTURE and LEARNING OUTCOMES OF THE COURSE**

**The course is dedicated to the training of *Maestri Collaboratori***, who will build awareness also in relation to the specific necessities of the singing techniques, and to the characteristics of opera theatre, with its dramatic and musical values and the professions connected to it, so as to favour an efficient inclusion into the professional world. **The study programme includes classroom lectures on theory and technique, as well as work experience activities in collaboration with the Festival della Valle d’Itria.**

### **REMOTULATED CALENDAR**

40 days of study, divided in two sessions, are planned for year 2021:

- SESSION ONE: **from 4 to 19 September 2021**
- SESSION TWO: **from 22 October to 14 November 2021**

To these days of study will be added others of **work-experience between november and december**, during which students will be involved in concerts and musical productions, receiving a cooperation contract and compensation commensurate with the commitment.
